Sir

In submitting herewith the report o Ml 379/28-29 dated 5-4-29 together with the enclosures thereto received from the President of the Shikarpur Town unicipality, I have the honour to state that My S Rama Rao who was the Vice President of the Council during 1924-25 received from out of the Municipal Funds an amount of Rs 17/- being the travelling allowances at the rate of 4as per mile for attending the 1st class magistrate's Court at Shimoga on 17-11-24 to give evidence in a case of embezzlement of Municipal Funds by the Patel in 1917-18 The Assistant Comptroller during the audit of the accounts of the Shikarpur Municipality for 1927-28 held this amount under objection on the ground that there are no orders of Government fixing the rate at which travelling allowance should be paid to non-official Vice President of Municipal Councils for journeys on duty

In view of the fact that the Vice President performed the journey on duty I request that the orders of Government may kindly be obtained waiving the above audit objection

Draft Sanction is sent for approval I have the honour to be

A Sum of Rs 17/ being T A paid to Mr S Ramaswamy Vice President, for attending the 1st class magistrate's Court at Shimoga on 17-11-1924 was held under objection stating that the witness should obtain witness Batta, payable by the Court From the reply given to the objection it is seen that he attended the Court to give evidence in a case of embezzlement of Municipal funds by the petal in 1918 In view of this circumstances Travelling allowance is payable to him out of Municipal fund only But there are no orders of Government fixing the rate at which T A should be paid to non-official Vice Presidents of Municipal Councils for Journeys on duty In this case mileage has been drawn at 0-4- a mile

The specific Sanction of Government may be obtained to allow a Vice President travelling at this rate to admit the payment on audit

13 Apart from the particular questions on which orders were issued in this Case, it is for Consideration whether Hon'ble Presidents have not to be treated as having been on duty under this Circumstance Amongst & whether in this Case & if so whether they should not get a special rate of T A & batta where such payments are ordered and what the rate should be. There may not be very many occasions for Hon'ble Presidents or Vice Presidents of Bench & to travel out of their Jurisdiction but it seems necessary to have a rule to meet such Cases when they occur. In handling allowances of Hon'ble Presidents, Vice Presidents & Councillors may be guided by the scale adopted
